

REPORT ADDENDUM

PROJECT: Traffic Calming Study, Task No. 9 – Upton Street, N.W.

DATE: September 2, 2003

ATTENTION: Colleen Smith (DDOT)
David A. Devine (PSI)

According to response of DDOT and the Advisory Neighborhood Community (ANC), it is recommended to keep the existing median and curb at the intersection of Reno Road and Upton Street, N.W. The recommendation of the median redesign and curb realignment in the traffic calming report will be cancelled.
